Journal of Hand Therapy

Rely on Ovid as the trusted solution that transforms research into results

The official journal of the American Society for Hand Therapists.

The "Journal of Hand Therapy" is designed for hand therapists, occupational and physical therapists, and other hand specialists involved in the rehabilitation of disabling hand problems. The Journal functions as a source of education and information by publishing scientific and clinical articles. Regular features include original reports, clinical reviews, case studies, editorials, and book reviews.
